

Move in / out Large Items

- Please always make sure you are present when moving in large items with your delivery driver
- **ALL LARGE ITEMS** must be moved through **Car Park Entrance ONLY** not the front foyer
- Please note mailroom is not designed for large delivery items and there is no storage space on Common Property to keep large items for you. Should you have any large item delivery (mattress, bed frame, etc) please make sure you are in the building for the delivery
- We recommend you book a move in/out time within the following hours (Mon – Fri: 10 am to 4 pm, Sat: 9 am to 1 pm) so we can be present and help (lock the car park door / lift for you). Please book your move in/out at <https://108reflections.com.au/#/bookings>
